**AGREED STATUS REPORT AND PROPOSED SCHEDULE**

On March 1, 2006, the Court issued a writ of habeas corpus on Bies' claim that the Double Jeopardy Clause precludes the state from re-litigating a prior determination that Bies is mentally retarded. The writ directed the State of Ohio to vacate the sentence of death and to resentence Bies to a lesser punishment authorized by law. The Warden appealed the Court's decision to the United States Court of Appeals for the Sixth Circuit. The Sixth Circuit denied the Warden's appeal and on August 5, 2008, the Sixth Circuit denied the Warden's petition for rehearing *en banc*. On August 25, 2008, the Court granted the Warden's motion to stay issuance of the writ pending the Warden's filing of a petition for a writ of certiorari and the disposition of such petition. The Court further ordered that the parties file with the Court not later than September 15, 2008 a report similar to the report required under Fed. R. Civ. P. 26(f) setting forth the agreed or respective positions regarding steps needed to bring the case to completion.

The parties have consulted and have agreed that the status of the case is as follows. Prior to the Court's bifurcation of the Double Jeopardy Claim, Bies filed a Third Amended Petition for Writ of Habeas Corpus. No Return of Writ (Answer) to the Third Amended Petition was filed by the Warden with respect to claims other than the Double Jeopardy Claim. Therefore, a Return of Writ (Answer) addressing such claims is necessary. The parties further agree to the following proposed schedule. The Warden shall file a Return of Writ (Answer) to the Third Amended Petition for Writ of Habeas Corpus not later than forty-five (45) days after the issuance of the proposed scheduling order. A status conference will then be convened to discuss what further actions need to be undertaken by the parties.

Respectfully submitted,

**NANCY H. ROGERS**  
Attorney General
